ABSTRACT

Ulum, Mukhammad Miftakhul. 2022. *Developing Supplementary English Reading Learning Materials for Seven Grade Students*. Thesis, English Education Study Program, Faculty of Teacher Training Education, Nahdhatul Ulama Sunan Giri, First advisor Iin Widya Lestari, M.Pd. and the second advisor, Mohammad fatoni, M.Pd.

The purpose of this research is to help reading comprehension in seventh grade at SMPIT Insan Permata Bojonegoro in the form of a reading material supplementary book. The types of texts developed were descriptive, narrative and conversational texts for semester one. There were several problems encountered while learning English. Therefore, this product is very necessary for students in reading comprehension. The design used in this research is research and development (R&D). This research was conducted using a 4D model which includes four steps, namely Define, Design, Develop and disseminate. Additional books on reading materials were validated by two experts. The two experts are teachers at SMPIT Insan Permata Bojonegoro. This supplementary book is categorized by practical and valid criteria. This means, the developed module is easy to use, useful, and efficient. Teachers and students can use supplements as supporting teaching materials.

ABSTRACT

Ulum, Mukhammad Miftakhul. 2022. *Developing Supplementary English Reading Learning Materials for Seven Grade Students*. Thesis, English Education Study Program, Faculty of Teacher Training Education, Nahdhatul Ulama Sunan Giri, First advisor Iin Widya Lestari, M.Pd. and the second advisor, Mohammad fatoni, M.Pd.

Tujuan penelitian ini adalah untuk membantu pemahaman membaca siswa kelas VII SMPIT Insan Permata Bojonegoro dalam bentuk buku pelengkap bahan bacaan. Jenis teks yang dikembangkan adalah teks deskriptif, naratif, dan percakapan untuk semester 1. Ada beberapa masalah yang dihadapi dalam pembelajaran bahasa Inggris. Oleh karena itu, produk ini sangat diperlukan bagi siswa dalam membaca pemahaman. Desain yang digunakan dalam penelitian ini adalah penelitian dan pengembangan (R&D). Penelitian ini dilakukan dengan menggunakan model 4D yang meliputi empat langkah yaitu Define, Design, Develop, dan Disseminate. Buku tambahan bahan bacaan divalidasi oleh dua orang ahli. Kedua pakar tersebut merupakan guru di SMPIT Insan Permata Bojonegoro. Buku tambahan ini dikategorikan berdasarkan kriteria praktis dan valid. Artinya, modul yang dikembangkan mudah digunakan, bermanfaat, dan efisien. Guru dan siswa dapat menggunakan suplemen sebagai bahan ajar pendukung.
